EXPERIENCE

Way to Resilience, Non-Profit, Florida – Web/ Graphic Designer

Sep 2024 - June 2025

Innovated and redesigned the website to enhance user interaction, and streamline access to merchandise. Brainstormed with founder, implementing strategies to increase audience traction and engagement.

Revamped merchandise presentation to better resonate with a broader audience by aligning visuals and messaging with current trends.

Addressed sales-related issues by optimizing the site's structure and functionality.

Stories Unites Us, Non-Profit, Remote – Illustrator

Feb 2022 - Nov 2023

Produced digital illustration techniques such as layering, shading, and texturing to create dynamic and visually appealing illustrations using Adobe Creative and Procreate.

Directly reported to the supervisor by collaborating efficiently and employing strong communication skills. Contributed to creative input.

GAR Patsy's, Tysons – Runner

Feb 2022 - March 2022

Supported restaurant operations to improve efficiency and customer experience.

PROJECTS

Frizzles Hair Salon: Website Demo

Developed a responsive website prototype for a local hair salon to showcase UI design skills, with a focus on user-friendly navigation and visual consistency. Designed as a space for experimentation and thoughtful critique from the salon owners.

After Hours: Human-Centered Design

Pitched and won a design thinking challenge, leading user advocacy and collaborative, curiosity-driven experimentation to develop innovative, user-centered solutions.

Uniform: Website

Currently designing and developing a professional website for an international business.
